HEAD START REWARDS

At Head Start, we believe in rewarding commitment and loyalty to the Head Start programme of study, so we have introduced the Head Start Rewards Programme, providing families with opportunities to earn rewards throughout the year whilst securing access to our most popular courses

LOYALTY REWARDS

These rewards recognise the commitment shown by families who progress through the various phases of the Head Start programme carefully designed to guide children strategically to 11+ success. A reward of £10 is available for each course completed and can be redeemed from the cost of the Summer School. A total of £80 is available to be earned by completing Introductory A & B, Phases 2 – 6 and the Mock Test Series.

ADVANCED COURSE PAYMENT REWARDS

Families who commit to the full programme of study and pay in advance receive the highest level of reward. This option provides maximum value, complete peace of mind and removes the need to make further payments throughout the year. There are two options available to suit the needs and circumstances of different families....

Advance Course Payment - £200 of loyalty and advanced payment rewards available

Ideal for families seeking maximum value, maximum reward and the convenience of having the entire programme paid for and secured from the outset.

Advanced Deposit Payment - £120 of loyalty and advanced payment rewards available

Ideal for families who wish to secure all places in advance, whilst saving money and retaining the flexibility to spread the remaining balances throughout the year.

PAYMENT OPTIONS

PAY-AS-YOU-GO - £80 of loyalty rewards available

Ideal for families who wish to maximise flexibility and spread payments throughout the year, this option allows you to secure your child's place in advance without having to pay the full cost of the programme up front, providing both peace of mind and the flexibility to spread the payments throughout the year. A total of £80 in rewards is available for completing the 8 courses prior to Summer School

A non-refundable deposit of **£50 per course (£100 for Summer School)** is required to reserve a place. Once the deposit has been received, your child's place on that course is guaranteed. The remaining balance may be paid at any time, provided payment is received no later than **two weeks before the start of each phase (two months prior to Summer School)**.

Alternatively, families may choose to pay the full course fee at the time of booking by selecting the **Full Payment** option.

FULL PROGRAMME PAYMENT - £200 of rewards available

If you would like to enrol your child for the complete Head Start programme of study, you can take advantage of our Advanced Course Payment option. This includes the full Head Start Rewards entitlement of up to £80, together with an Advanced Payment Reward of £120 giving a total reward of £200.

This is the most cost-effective option and reduces the total cost from **£2945** to **£2745**, whilst providing peace of mind that all Saturday classes, the Assessment, Mock Tests, Summer School and Revision sessions have been secured and paid for in advance.

The advanced payment option is available at the start of each new school term, up to and including the Assessment as follows:
